

Symposium

10 June 2015 | 13:00 - 18:00 hrs

Utrecht Science Park - De Uithof

Van Lier en Eggink Room – Administration building

Utrecht University Strategic Theme Sustainability

# Urban Futures: Climate and Resources

12:15 – 13:00	<b>Registration &amp; lunch</b>
13:00 – 13:20	<b>Welcome &amp; introduction Strategic Theme Sustainability:</b> Sierd Cloetingh
13:20 – 13:40	<b>Water, Climate &amp; Ecosystems:</b> Marc Bierkens
13:40 – 14:00	<b>Future Energy &amp; Resources:</b> Chris Spiers
14:00 – 14:20	<b>Future Energy &amp; Resources:</b> Bert Weckhuysen
14:20 – 14:40	<b>Healthy Urban Living:</b> Martin Dijst
14:40 – 15:00	<b>Coffee</b>
15:00 – 16:00	Breakout Sessions
	<b>A. urban futures &amp; energy transition</b> (moderator t.b.a.)
	<b>B. urban futures &amp; climate change</b> (moderator t.b.a.)
	<b>C. energy transition &amp; climate change</b> (moderator t.b.a.)
16:00 – 16:45	<b>Summary breakout sessions and discussion</b>
16:45 – 17:00	<b>Wrap up and closing:</b> Sierd Cloetingh
17:00 – 18:00	<b>Drinks &amp; Bites</b>

This symposium will bring together the Utrecht Sustainability research community to share the main scientific themes and to elaborate on future integrative research approaches in this area. All researchers interested are invited to join the meeting, and in particular to contribute to the breakout sessions with new ideas on integrative research opportunities.

Participants are kindly asked to register per mail and to indicate preference for breakout sessions (A, B, or C) via [sustainability@uu.nl](mailto:sustainability@uu.nl)
